- x STEPs planswill consist of multiple measures, at least one of which will be observations for teachers and school visits for principals.
- x Unlike prior evaluation systems EPS plancan be differentiated for different educators, and school leadervaluations are no longer required to mirror teacher evaluations.
- x Each measure will align to one or more of the NYS Standards, and LEAs will establish their ow criteria for assigning a LeVelating for each Standardcan overall rating.
- x In the commonthshe Departmentvill provide uidance and exemplar sconsistent with research and evide those of practices hat LEAs may use or adapt to their local needs and context.

Emphasis on Professional Learning & Growth
