American Rescue Plan (ARP) Spending Plan Reporting**1. Have you made changes to your approved ARP - ESSER application?**

- YES, the LEA has made changes to your approved ARP ESSER application.
- NO, the LEA has not made changes to your approved ARP ESSER application.

2. Please provide an analysis of public comment for the updated American Rescue Plan (ARP) - Elementary and Secondary School Emergency Relief (ESSER) funding.

We regularly provide public updates at our work session meetings detailing curriculum updates, technology updates and mental health updates. The updates reflect staff, administrator and, where appropriate, student and parent feedback as to the progress of our initiatives. The community has been supportive of our plans, and all feedback has been positive. In January and July, we review, at public Board meetings, how we are proceeding with the plan and discuss any changes that may better help us achieve our goals. Any adjustments that are made have been shared publicly with opportunity for comment and feedback.
