Swing Education is a substitute teaching agency providing coverage for both short-term and long-term staffing needs across all 18 KIPP NYC Schools. Swing Education provides "Swing Subs" for our teaching, operations, nursing, and other school-based needs. This agency provides our schools with the necessary emergency and contingency staffing to ensure we can operate our schools at full capacity in a safe and sustainable way daily. Swing Subs can be hired on demand to fill in when a staff member must quarantine, when we need additional support to implement COVID protocols, or when we have a vacancy at a campus. COVID has created many challenges, one of them being great staff absences and shortages, and Swing Subs ensure our schools can operate despite these staffing challenges. Providing funding for Swing Subs allows our schools to operate at full staff capacity on a daily basis.	\$16,731.00
