5. Carefully review the “School Information” page to verify that all information listed for your school is accurate and complete. Fields highlighted in green for contacting the school principal are required. Required fields left blank on this page will trigger an error message that will prevent you from proceeding with your request until you enter the missing information. Please enter or update, as needed, the phone and fax numbers for your school and the email addresses for the principal and an alternative contact. **It is imperative that email addresses are kept up to date as the Department sends important communications by email.** The online examination request system has the capacity to receive and store two email addresses for each school—the principal and an alternative contact. Only the text highlighted in green (phone number, fax number, and email address) may be updated here. Changes to any other fields, such as school address, principal name changes, etc., can only be made by contacting [Information and Reporting Services](#). Schools must also fax such changes to 518-474-2021.
6. For the English Languages Arts (ELA) and Mathematics Examinations Cycles, scroll down to the section titled “Elementary/Intermediate Field Testing Information.” Select from the drop-down menu the format your school is planning to administer its assigned field test, either computer-based stand-alone field test (SAFT) or paper-based SAFT. The SAFT format selected applies to the ELA and Mathematics Examination Cycles.
7. In the section titled “District/BOCES/Regional Center Data,” select from the drop-down menu next to “Scanning Center” the center with which your school has contracted for scanning services. You must enter this information to proceed with ordering tests.
8. Schools requesting operational CBT must then select the name of their scoring consortium’s Lead Scoring Entity. To make your selection for Lead Scoring Entity, first select the type of Lead Scoring Entity (School, District, BOCES, or Scoring Vendor) and then select the organization.
