SAFEGUARDING THE INTEGRITY OF THE TEST MATERIALS

Out of consideration for those students who are completing their examinations over multiple days as an approved testing accommodation, educators are not permitted to discuss test questions or other specific test content with others online via e-mail or LISTSERV, or through any other electronic means prior to or during the test administration and for seven calendar days after the original date of administration.

Everyone's cooperation with this rule helps to preserve the integrity of the assessments taken by these students over multiple school days, so that they can complete the examinations at a pace appropriate for them. Avoiding public discussion of specific test content over electronic media affords those students an equal opportunity to demonstrate what they know and are able to do. We believe that nearly all students who are testing with this accommodation will have completed their examinations by these dates

Examination materials may be removed from locked Regents boxes only for inventory and for administration of the examinations on the scheduled date.
