Executive Summary

Standard setting was conducted for the New York State Regents Examination in Algebra II (Common Core) and consisted of two parts: a performance level description (PLD) workshop and a standard setting workshop for recommending cut scores. The primary goal for these workshops was to recommend performance standards, or cut scores, that operationally define the five performance levels: Level 1, Level 2, Level 3, Level 4, and Level 5. The performance level designations will be used by local, state, and a

panelists were able to express how they would modify a cut score if they were somewhat uncomfortable with the overall final recommendation. Most items on this survey used a
