## Special Circumstance Codes: Administration of NYSAA in English Language Arts (ELA), Mathematics and Science through Dynamic Learning Maps (DLM)

### February 2022

Directions: Students must first be added to Educator Portal, then rostered to a teacher and the first contact survey completed. This results in a testlet being generated. Once the testlet is generated, do **NOT** open it, rather the teacher would notify the District that a special circumstance code needs to be applied. The DTC would enter the special circumstance code one time **per** content area **before** the test window closes. Special Circumstance Codes can then be entered by the DTC under the Test Management Tab on the table where the TIP is retrieved. Documentation of the special circumstance must be kept on file by the LEA as per their policy.

NYSAA Not-Tested Category *	NYSAA Not-Tested Description *	DLM Special Circumstance Code in Kite: Educator Portal
Absent	The student was in attendance for fewer than 30 school days as a NYSAA-eligible student between March 14-June 10, 2022 (ELA, Mathematics, and Science) and it was determined that there was not enough time to assess the student.	Chronic Absences (13813)
Not-Enrolled at Time of Test Administration	The student left the district before an assessment could be collected, or the student arrived in the district too late for the district to enter the student into SIRS as NYSAA eligible and an assessment could not be completed.	Other (9999)
Medically Excused	The student was too incapacitated to be tested because of an illness or injury resulting from a significant medical emergency, as documented by a medical practitioner. The medically excused option is reviewed by a school district administrator on an individual student basis. Students taking the NYSAA are not considered medically excused from testing because of their disability.	Medical Waiver (3454)
Took Another Assessment to Fulfill Testing Requirement	The student took another approved assessment (i.e., a New York State general assessment, Regents Competency Test (or approved alternative), Regents Examination (or approved alternative)) to fulfill the testing requirement in a particular content area.  The student was not administered the NYSAA based on a parent refusal of the NYSAA assessment. This does NOT include students who were unable to engage in the assessment at the time of the testing for whom a valid score of zero is appropriate.	Other Reason for Non-Participation (13831)
