6. Can a student with a disability who is exempted from the LOGG uirements still earn a local, Regents or Regents diploma with advanced designation are a -4 ()]TJ -0 g /TT2 Tw -0.6 (e)-5.7 ()e

15. What happens if a student successfully completes the LOTTE(s) of study, but fails the locally developed Checkpoint A examination in grade 8 or earlier

The studentmay attempt to pass æubsequentlocally-developed Checkpoint Aexamination in order to earn one (1) unit of credit to satisfy the LOTE

requirements, or a student with a disability declassified while in grade\$29and whose last IEP prior to declassification includedlaOTE exemption, may be exempted from this requirement.

21. Can the one (1) unit of diploma credit requirement in a LOTTE he diploma be met with two or more languages?

Yes. However, in order to earn a unit odiploma credit in LOTEequired for graduation, students must still demonstrate competency/proficiency in the targestinguage and culture as defined in the learning outcomes for Level 1 in a single language and culture, basetherNewYork State's syllabi, including the Modern Language for Communication, American Sign Language for Communication for the 2st Century, and the State's Learning Standards in LOTE for Checkpoint A.

22. Can a student take an independent study course in a Land Preceive units of credit towards a diploma?

No. Credit for independent study may be awarded elective courses only, and shall not be awarded for courses required for theRegentsdiploma; http://www.p12.nysed.gov/part100/pages/1005.html#d9

VI. Transfer StudentsTop

23. What provisions are there for a transfer student?

A student who transfers into the New York State public school system is required to meet the one (1) unit of credit requirement inLOTE or a diploma.

- x A student who transfers to a New York State school prior to gradehould begin LOTiEstruction no later than grade 8 so that they can meet the 2 stroif study requirement by the end of grade 9 norder to earn the one (1) unit of diploma credit in LOTeEquired for graduation prior to grade 9,s/he must successfully complete two (2) units of study (or pass an accelerated grade 8 program of study) and pass a locally developed proficiency examination that is aligned to the Checkpoint A Learning Standards
- x A student who transfers at the high school level must successfully complete a commencement level, yearlong Level 1 high school course of study in a single Lio Torreder to earn the one (1) unit of diploma **die** required forgraduation. No Checkpoint A leveexamination required after 8th grade.
- x If a transfer student successful by mpleted two units of study prior to grade but fex (au)+ith abito costs (30.00052hT(w)-4.3

25. If a high schoolstudent is placed in an advanced level **d**/OTEbecause s/he speaks the languageat home, must s/he still earn 3 units of credit to meet the LOTE requirements for a RegentsDiploma with Advanced Designation?

Regardless of where a student is place LOTE instruction, in order to receive the Regents with Advanced Designation using a LOTE sequence, the student would still need to eathree units of credit in a LOTE ubject and passa locally developed comprehensive Checkpoint level examination.

VII. Credit By Examination Top

26. Will students be allowed to earn unit(s) of credit through Credit by Examination (i.e., "challenging") either the locally developed comprehensive Checkpoint A or Checkpoint B examinations?

No. Since the locally developed LOEMA minationis not a "Statedeveloped" or a "Stateapproved" assessment (8 NYCRR §00.5[d][1][ii]), earning unit(s) of diploma creditrough Credit by Examination is not possible.

VIII. Locally Developed Testsop

27. How should the locally developed Checkpoint A and Checkpoint B examinationes developed?

Districts/schools have the option to join other schools in a consortium to develop Checkpoint A kervel B examinations they can design their own as a school or districtadopt a vendormade assessment

The locally developed Checkpoint A Second Language Proficiency Examination and the Checkpoint B Comprehens Examination in a LOTE should:

- reflect the content and format of the previously available State developedckpointA and Checkpoint B
 •••u vš•i
- assess speaking, listening, reading, and writing using a format that is as rigorous as the previously available
