The Office of Bilingual Education and World Languages (OBEWL) of the New York State Ed**paatioe**rDe (NYSED) prests this rext workshop in its 2022Professional Learning Serießeparing for StandardBased Curriculum Planning This online workshop offered free of charge for world language educators and administrators working and stdying in New Yor State educational institutions

Workshop description: Vertical and horizontal curriculum alignment is criticahelping learners make continuous growth in proficiency. Intentional sequencing of rich thematic units creates learning experiences that are relevant to learners' interests and appriate to checkpoint proficiency targets. Vertical articulation spirals poficiency development and recycles and reinforces **High**uency vocabulary and grammatical structures. In this session, participants will examine templates to help analyze and sequematic units across the checkpoints. Presenters will also demotestize between the used to assess how well the curriculum addresses the revised NYS Learning Standards for World Languages, their embedded language functions, and NYS World Language themes and topics.

A recording of the workshop will be ploaded to the OBEWL website for othermand viewing by those unable to attend virtually. Attendees othe online workshop will be provide with either a certificate of attendance or a CTLE ertificate.
